REMARKS

In a telephonic interview with the Examiner on June 2, 2004, Applicants' attorney agree to amend the claimed invention to be directed to a method,for providing extended suds and/or foam volume and suds and/or foam duration when cleaning a substrate surface in need of cleaning, thus, place the present application in condition for allowance.

In this Preliminary Amendment, Claims 1-19 are canceled and new claims 20-33 are presented. Support for this amendment can be found in the Specification, and the originally claims.

No new matter is presented. Entry is believed to be proper and respectfully requested.

No additional claim fee is due.

Currently, Claims 20-33 are pending.

CONCLUSION

Applicants respectfully request examination of the present application in light of this preliminary amendment and issuance of a Notice of Allowance.

Respectfully submitted,

by Caroline Wei Berk
